Education

2019-2021 Mongolian National University
I always wanted to go abroad to study since i was a young. when i graduate in 2019, it wasn't possible to come to Australia due to Covid-19. So I spent my time studying as well as gather experience

2022 University of Technology Sydney
After lockdown, I was finally able to study abroad where I can learn much more valuable lessons in English language. So I decided to come to Sydney, and get into one of the best IT Universities in Australia.
